

Struktur pelletfrei

Special Feed

Feed supplement for horses and ponies

Structure Pellet-free with a high proportion of intact crude fibre is natural and without artificial additives. It contains no molasses, no flavourings but also no added extra vitamins and minerals. Intact plant fibres, dried fruit and vegetables provide cellulose and pectins, which stimulate the activity of intestinal bacteria. With the optimum protein-energy ratio and the high fibre levels, Structure Muesli can enhance any existing ration as needed but can be used as a single hard feed as well. A mineral supplement must be fed too!

The benefits at a glance:

ideal for any horse! Whether pony, thoroughbred or heavyweight, sport or leisure horse - Structure Muesli does any horse good

the high levels of structure increase mastication and the production of saliva, thereby improving the gastrointestinal environment

easy digestibility directly in the small intestine due to high-quality ingredients such as hydrothermally expanded grains

readily available energy, without disturbing the delicate intestinal flora which is designed for receiving roughage

lower volumes of hard feed but with better digestibility and energy supply, which, in conjunction with a good fodder ration, protects the small sensitive stomach and the entire digestive system

Since no vitamins are added, this is a useful supplementary feed, ideal for field kept horses.

Recommended feeding:

Light to moderate work 100 - 500 g per 100 kg body weight per day. It is necessary to feed a mineral supplement.

Composition: 38,0 % Barley (flaked), 31,1 % Corn flakes, 9,1 % Dried alfalfa (hay), 4,5 % Meadow hay, 4,5 % Chopped carob, 3,2 % Milk thistle oil, 3,0 % Corn (expanded), 2,3 % Peas (flaked), 2,1 % Corn, 1,8 % Carrots (dried), 0,4 % Beetroot (dried)

Digestible protein (dCP): 68,0 g/kg

Digestible energy (MJ DE): 12,6 MJ DE/kg

Analytical constituents and levels: 10,0 % Crude protein, 5,60 % Raw fat, 6,80 % Crude fibre, 2,60 % Crude ash, 0,20 % Calcium, 0,30 % Phosphorus, 0,15 % Magnesium, 0,04 % Sodium, 43,40 % Starch, 3,70 % Sugar
