Wild Bird Feed

Supplementary food for wild birds

Behind every door of this Advent calendar are various snacks with the best ingredients for the wild birds in your garden. From Christmas-shaped fat balls to high-energy feeding nets with a variety of fillings.

So there is guaranteed to be the right Christmas snack for every wild bird in your garden.

Recommended feeding:

Feeding recommendation:

You can easily hang the various feeding nets on a branch in your garden. The Christmas fat balls are ideal for placing in your bird house.

We wish you a wonderful Christmas season and lots of fun watching the wild birds in your garden.
